 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, <https://eoc.anthem.com/eocdps/aso>. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call (833) 639-1634 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$500/person or \$1,000/family for In-Network Providers . \$1,000/person or \$2,000/family for Non-Network Providers .	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible?	Yes. Primary Care. Specialist Visit . Preventive Care . Certain Prescription Drugs . Vision. For more information see below.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	\$3,000/person or \$6,000/family for In-Network Providers . \$6,000/person or \$12,000/family for Non-Network Providers . This plan has a separate Out of Pocket Maximum of \$2,500/single or \$5,000/family for In-Network Providers for Prescription Drugs .	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Prescription Drugs , Premiums , balance-billing charges, health care this plan doesn't cover, and Non-Network Transplants .	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if	Yes, Blue Access. See	This plan uses a provider network . You will pay less if you use a provider in the plan's

Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.</p>

 <p>The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$3,000/single or \$6,000/family for In- Network Providers . \$6,000/single or \$12,000/family for Non-Network Providers .	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible ?	Yes. Preventive Care . Children’s eye exam. For more information see below.	This plan covers some items and services even if you haven’t yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don’t have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	\$5,000/single or \$10,000/family for In- Network Providers . \$10,000/single or \$20,000/family for Non-Network Providers .	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit ?	Non- Network Transplant Services , Premiums , balance-billing charges, and health care this plan doesn’t cover.	Even though you pay these expenses, they don’t count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. Blue Access. See www.anthem.com or call (855) 603-7982 for a list of network providers . Costs may vary by site of service and how the provider bills.	This plan uses a provider network . You will pay less if you use a provider in the plan’s network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider’s charge and what your plan pays (balance billing). Be aware, your network provider might use an Out-of-Network Provider for some services (such as lab work). Check with your provider before you get

	services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No. You can see the <u>specialist</u> you choose without a <u>referral</u> .

! All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

How to use your HSA

An HSA from HSA Bank doesn't just make it easy to save money on your healthcare expenses — it makes it easy to manage your account, too.

Manage your account online

Sign up to access your account balances, transaction history, and statements, as well as track your expenses.

- 1** **HSA Bank Mobile App** – Download to check available balances, view HSA transaction details, save and store receipts, scan items in-store to see if they're qualified, and access customer service contact information.
- 2** **myHealth PortfolioSM** – Track your healthcare expenses, manage receipts and claims from multiple providers, and view expenses by provider, description, and more.
- 3** **Account preferences** – Designate a beneficiary, add an authorized signer, order additional debit cards, and keep important information up to date.

Deposit funds into your HSA

To maximize tax and savings benefits, fund your HSA as soon as you can. There are a few convenient ways to contribute.

- **Payroll deduction** – Money is deducted from your paychecks, pre-tax, and transferred to your HSA. Talk to your employer to sign up.
- **Online transfer** – Visit the Member Website to transfer funds from your personal checking or savings account to your HSA.
- **Check** – Mail your personal check and completed contribution form found on the Member Website to: HSA Bank, PO Box 939, Sheboygan, WI 53082

Pay for healthcare expenses

Whether you want to reimburse yourself for an IRS-qualified medical expense paid out of pocket or pay directly from your HSA, there are a few ways to get your funds.¹

NOTE: Transactions are limited to your available cash balance.

- **HSA Bank Health Benefits Debit Card** – Access your HSA funds when you use your debit card at qualified merchants or ATMs for withdrawals.² You can add your debit card to your mobile wallet using Apple Pay or Samsung Pay.
- **Online transfer** – Visit the Member Website or use the mobile app to reimburse yourself for out-of-pocket expenses. Schedule a one-time or recurring online transfer from your HSA to your personal checking or savings account.
- **Online bill pay** – Use this feature to pay medical providers directly from your HSA.

¹ You can use your HSA to pay for a wide range of IRS-qualified medical expenses, including many that aren't typically covered by health insurance plans. This includes deductibles, co-insurance, prescriptions, dental and vision care, and more. Go to [irs.gov](https://www.irs.gov) or hsabank.com/QME for a list of IRS-qualified medical expenses.

² HSA Bank has set daily limits on debit card transactions for fraud protection. These limits are listed in your Health Savings Account Custodial Agreement.

Visit hsabank.com or call the number on the back of your debit card for more information.

Flexible Spending Account

•solved Benefit Services

•solved Benefit Services

Dear Employees:

We are excited to tell you about a great benefit your company is offering to its employees. It's called a **Section 125 Cafeteria Plan or Flexible Benefits Plan. By using the Flexible Spending Account (FSA) available through the plan, you can save a great deal of money. The savings is achieved by not paying taxes on the amount you put into your account for health care and dependent care expenses.**

Your Flexible Benefits Plan includes these components:

Health Care Spending Account – pre-tax dollars set aside to cover out-of-pocket medical expenses not covered by your plan.

Dependent Care Spending Account – pre-tax dollars that can be used to pay for day care for tax dependents.

Premium Conversion – allows you to have your benefit premiums deducted pretax from payroll.

Here's how it works. Each payroll, your company places the amount you designate from your pay into your personal health and/or dependent care spending accounts. The money – which is put aside without being taxed – is earmarked for out-of-pocket expenses. Those expenses might include your day care bill, a co-pay for a visit to the doctor or a prescription.

The money you can save by using your FSA can be significant. For example, Employee A earns \$1,700 per month. She elects to place \$60 in her Health FSA, \$260 in her Dependent Care FSA and also has her \$50 health plan contribution taken out before tax each month. By taking care of these necessary expenses on a pre-tax basis, she could save over \$100 in taxes per month, money she will surely be happy to spend elsewhere. Every employee's situation is a little different, but there is a reason this plan is called a Flexible Benefits Plan. It can be used to suit your needs and will save you money.

Participation is easy. Just review the enrollment materials provided for all the rules, calculate your expenses to determine your annual election, fill out the enrollment form and start saving.

If you have questions about your plan, please contact your HR representative.

Frequently Asked Questions

General Information

Why should I participate in the Flexible Benefits Plan?

There are some great advantages to using a Flexible Benefits Plan!

- Reduced taxes - the money contributed to an FSA is not subject to taxes (federal income and FICA taxes and most state and local income taxes).
- Increase your take-home pay - less taxes, more money in your pocket.
- The Benefits Card - pay for expenses at point of purchase.

A Flexible Benefits Plan applies to out-of-pocket expenses you cover with your spendable income, but allows you to pay for these expenses with income before you are taxed.

Another advantage to participating in the Plan is the opportunity it offers for you to budget for health care expenses by withholding a small amount from each paycheck. With proper planning, you won't be faced with having to come up with large amounts of money at one time. This is especially advantageous if you are scheduling a surgery, anticipating maternity expenses or if you do not have other coverage for dental and vision expenses. Even those with coverage for medical, dental and vision usually have deductibles, co-pays and other out-of-pocket expenses to cover.

Where do I call with questions about my Flexible Benefits Plan?

If you have questions about putting a Flexible Benefits Plan to work for you, how to sign up or how to determine your election amounts, etc., please call a Customer Service Representative at 866-370-3040.

Enrollment

How do I enroll?

To enroll in either or both the Health and Dependent Care FSA, you simply need to fill out the Enrollment Form before the beginning of each Plan Year.

Do I have to keep the same election each year?

No. Each year, you will have to re-enroll before the beginning of the Plan Year. At that time, you will have the opportunity to evaluate the need to participate in the Plan as well as budget for all health care and/or dependent care expenses. You may decide to keep the same election, change your election or in some cases waive participation.

Do I have to elect both the Health and Dependent Care FSAs?

No. You may choose to participate in one or both depending on your individual needs.

Health FSAs

What is a Health Flexible Spending Account (FSA)?

You may set aside pre-tax dollars to cover eligible medical expenses that are not covered by any other type of insurance. The account helps you budget for planned expenses such as deductibles, co-payments and prescriptions. You may refer to the FSA Worksheet for a list of some eligible and ineligible expenses.

Are insurance premiums an eligible expense?

No, insurance premiums are not reimbursable from a Health FSA. However, you may pay your required premium contributions (for coverage under the employer's health plan) on a pre-tax basis outside of the Health FSA.

What are some examples of OTC drugs that are eligible for reimbursement from my Health FSA?

Antiseptics, diabetes testing aids, bandages and contact lens care. For a more inclusive list, please see the OTC expenses list available at www.isolvedbenefitservices.com.

If I terminate employment or retire, can I receive the remaining balance in my Health FSA?

No. However, you can continue to submit claims incurred prior to your termination date before the end of the run-out period (defined in your Summary Plan Description).

Example: Your plan has a 90-day run-out period following termination. Your termination date is September 13. Your physician sees you on September 12, but you do not receive the Explanation of Benefits from your insurance carrier until October 31. You can still submit this expense as it was incurred prior to your termination date, and prior to the end of the 90-day run-out period following your date of termination. Any expense incurred after September 13 is not eligible.

If I terminate employment or retire can I be reimbursed for expenses incurred after my termination date?

No. In order to be considered an eligible expense, the expense must be incurred prior to your termination date. However, you may be able to continue your Health FSA coverage under COBRA.

Dependent Care FSAs

What is a Dependent Care FSA?

You can use pre-tax dollars to cover eligible work-related dependent care expenses for qualified dependents, or if you are married, while you and your spouse work or your spouse attends school full-time.

Who is a qualified dependent under the Dependent Care FSA?

- Dependent under the age of 13
- Dependent or spouse of employee who is mentally or physically disabled and whom the employee claims as a dependent on his or her federal income tax return

Can an adult be a qualified dependent?

Yes, an adult may qualify as a dependent provided that the employee is providing more than half of that individual's support for the year and the dependent lives with the employee.

Do I have to use a day care facility?

No. You can be reimbursed for expenses of an individual providing care for your dependent in your home as long as the expenses are incurred for you and your spouse (if married), to work, look for work or attend school full-time.

Does my day care provider have to be licensed?

No. However, you are required to submit their Tax Identification Number or Social Security Number when filing your federal income tax return.

Does my day care provider have to be 18?

No, but the individual must claim the money as income on their tax return.

My child attends camp during the summer. Is this eligible?

Generally, no; however, if the camp is day camp and your dependent attends to allow you and your spouse (if married), to work, look for work or attend school full-time, then yes this would be an eligible expense. Overnight camps are specifically excluded.

When can I be reimbursed for dependent care expenses?

Expenses are eligible for reimbursement when they have been incurred, not when you are billed or when you pay for the services.

Example: Your day care provider requires you to pay for the month of September on September 1. You can be reimbursed as the services are incurred, not when you paid for the services. You can submit claims after each week, every two weeks or on October 1.

Changing Your Election

What if I discover that I elected too much for the Health and/or Dependent Care FSA, can I change my election?

Generally, your election is irrevocable unless you experience an IRS Change in Status. Your election change must be consistent with the Change in Status event:

- Change in legal marital status (marriage, death of spouse, divorce, legal separation, annulment)
- Change in number of tax dependents (birth, death of dependent, adoption or placement for adoption)
- Change in dependent's eligibility
- Change in employment status of employee, spouse or dependents
- Other changes that may permit an election change under the Dependent Care FSA are:
 - o Change of dependent care provider
 - o Change of rate charged by unrelated dependent care provider
 - o Child attaining age 13

Election changes must be consistent with the event. If you experience a Change in Status, please review your Summary Plan Description, as it will provide you with important information on the deadline for reporting this event.

If I elected too much in my Health FSA but not enough in my Dependent Care FSA, can I move money from one account to the other?

No, Health and Dependent Care FSA elections are separate. You cannot move contributions from one account to another. Also, it is very important to note that the elections you make are for the entire year. Your elections cannot be changed unless you experience an IRS Change in Status as noted above.

What happens if I don't use all the money elected in my FSA?

The IRS has issued guidance that allows a Health FSA to carry over up to \$570 to the next plan year by plan design based on the plan sponsor's decision. A Health FSA cannot have both a carryover and a grace period of up to two months and 15 days. You also have a run-out period following the end of the plan year to submit expenses that were incurred during the plan year. It is important to estimate your expenses carefully before making your elections.

isolved Benefit Services will assist you in monitoring your Flexible Spending Accounts by providing you with a statement at the beginning of the fourth quarter of your plan year. You can minimize possible forfeitures by scheduling routine exams, purchasing glasses or contact lenses and scheduling dental appointments, etc., at the end of the plan year to use up your election amounts.

Submitting Claims for Reimbursement

How do I submit a claim for the Health or Dependent Care FSA?

You can file your claim online or via mobile app and upload your receipts.

You can complete an FSA Request for Reimbursement Form for each Health or Dependent Care FSA claim you file. Remember to attach supporting documentation for the claim. This information can be faxed to 800-379-5670.

You may also submit your claim by mail: isolved Benefit Services, Inc., PO Box 488, Coldwater, MI 49036

May I submit expenses for my spouse and children for reimbursement through my Health FSA?

Yes, you may be reimbursed for expenses incurred for you, your spouse and any IRS dependents, regardless of where you are insured. It could be that you are not covered through your employer's health plan, but have coverage through your spouse's employer's plan. You may still submit your family out-of-pocket expenses to be reimbursed under the Health FSA.

What supporting documentation must I file with each Health FSA claim?

Each time you submit claims to your health insurance carrier, you will receive an Explanation of Benefits (EOB) detailing what the health plan will pay and what you must pay. For expenses that are partially covered under another insurance plan, you must attach a copy of both EOBs.

For expenses that are not submitted to another insurance plan, you must attach a copy of an itemized billing containing the following information:

- Name of patient
- Name and address of provider
- Description of service
- Date of service
- Amount of service

The documentation requirements are also listed on the FSA Request for Reimbursement Form to assist you in properly filing your claim. Following these guidelines will ensure you receive your reimbursement without unnecessary delays.

What supporting documentation must I file with each Dependent Care claim?

Complete the Dependent Care section of the Request for Reimbursement Form and have your day care provider sign and date. The receipt must include the following information:

- Name and address of provider
- From/through dates of service
- Amount of charge

How long after the end of the Plan year do I have to submit claims?

Claims must be submitted prior to the end of the run-out period for the Plan. The run-out period is defined in your Summary Plan Description.

Will I receive reimbursement for claims that are greater than the current balance of my Health FSA?

Yes, the annual amount is available to you from the beginning of the Plan year.

Will I receive reimbursement that is greater than the current balance of my Dependent Care FSA?

No, you will only receive reimbursement for the amount that has been contributed at the time you submit your claim.

Can I submit claims for dependent care expenses that are greater than the current balance of my Dependent Care FSA?

Yes, however, you will only receive reimbursement for the amount that you have contributed to your Dependent Care FSA. For example, if you contribute \$150 each month to your Dependent Care FSA, then you will only receive \$150 in reimbursement each month. The excess amount of expenses will be pended and automatically paid to you as contributions are posted to your account.

What happens if a claim exceeds the amount currently available in my Dependent Care FSA?

The claim will be processed and approved. The amount that is currently available will be disbursed and the remaining portion will be pended until you make another contribution.

How do I know that you received my claim and whether or not it was paid?

Generally, within two business days of submitting a claim, you can view your account to check on the status of the claim at www.isolvedbenefitservices.com. Simply choose Flexible Spending Account /Health Reimbursement under employee/participant and follow the on-screen instructions.

When can I expect to receive my reimbursement?

Claims are generally processed within two business days of receipt. Reimbursements are then processed and released according to the disbursement schedule and funding option of the employer. Generally, disbursement schedules are daily. This means that reimbursements are processed each day and include any claims that were processed the previous day. The release of your reimbursement depends upon the funding option chosen by the employer.

How do I know what my account balance is?

You can use one of the following methods to check your account balance:

- You can view your account at www.isolvedbenefitservices.com. Simply choose Flexible Spending Account/Health Reimbursement under Employee/Participants and follow the on-screen instructions.
- You can view your balance on the mobile app.
- Your account balance will be displayed on the reimbursement check or direct deposit notification each time you submit a claim.
- You will receive a Balance Statement quarterly during the Plan year. This statement provides a summary of your remaining balance in the Health FSA and/or the Dependent Care FSA as well as claims paid to date.

How do I know why my claim was denied?

You will receive a letter indicating the reason for the denial along with instructions for submitting the requested documentation.

Why may the amount of my reimbursement differ from the amount of my request?

There are reasons that you may see a different reimbursement amount. For example:

1. If the request was for more than the balance of your account.

Annual election	\$1,000.00
Total amount disbursed to date	\$700.00
Available balance	\$300.00
Total amount of request	\$500.00

2. If the request was for a dependent care claim, you may only be reimbursed for the total amount that you have contributed.

Annual election	\$5,000.00
Total amount contributed	\$3,000.00
Total amount of request	\$4,250.00

You will only be reimbursed \$3,000.00, as this is the amount that you have contributed to the account. The entire request of \$4,250.00, will be processed and the remaining \$1,250.00 will be disbursed as contributions are made.

HIPAA NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

Health Information Privacy

This Notice is required by the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and is intended to describe how the CEBCO Employees Benefit Plan (which includes underlying health plan coverages for medical, dental, prescription drug, and vision), the Employee Assistance Program, and health coverages provided by health insurance issuers or health maintenance organizations that provide health information to or on behalf of the health plans (collectively, "Health Plans"), to the extent applicable to you, will protect your health information. For purposes of HIPAA, "health information" means information that identifies you and either relates to your physical or mental health condition, or relates to the payment of your health care expenses. This individually identifiable health information is known as "protected health information" ("PHI"). Your PHI will not be used or disclosed without a written authorization from you, except as described in this Notice or as otherwise permitted by federal or state health information privacy laws.

Health Plan Privacy Obligations

The Health Plans are required by law to:

- Ensure that health information that identifies you is kept private;
- Provide you with Notice of their legal duties and privacy practices with respect to health information about you;
- Follow the terms of the Notice that are in effect; and
- Notify you in the event of a breach involving unsecured PHI,

How the Health Plans May Use and Disclose Your Health Information

The Health Plans may use health information or disclose it to others for a number of different reasons. The following are the different ways that the Health Plans may use and disclose your PHI without your authorization:

- **For Treatment.** The Health Plans may disclose your PHI to a health care provider who provides, coordinates or manages health care treatment on your behalf. For example, if you are unable to provide your medical history as a result of an accident, the Health Plans may advise an emergency room physician about the different medications that you may have been prescribed.
- **For Payment.** The Health Plans may use and disclose your PHI so claims for health care treatment, services, and supplies that you receive from health care providers may be paid according to the Health Plans' terms. The Health Plans may also use your PHI for billing, reviews of health care services received, and subrogation. For example, the Health Plans may tell a doctor or hospital whether you are eligible for coverage or what percentage of the bill will be paid by the Health Plans.
- **For Health Care Operations.** The Health Plans may use and disclose your PHI to enable them to operate more efficiently or to make certain that all of their participants receive the appropriate health benefits. For example, the Health Plans may use your PHI for case management, to refer individuals to disease management programs, for underwriting, premium rating, activities relating to the creation, renewal or replacement of a contract of health insurance or health benefits, to arrange for medical reviews, or to perform population-based studies designed to reduce health care costs. However, the Health Plans will not use or disclose PHI that is genetic information for underwriting purposes. In addition, the Health Plans may use or disclose your PHI to conduct compliance reviews, audits, legal reviews, actuarial studies, and/or for fraud and abuse detection. The Health Plans may also combine health information about participants and disclose it to CEBCO and its affiliated companies (collectively, "CEBCO") in a non-identifiable, summary fashion so that CEBCO can decide, for example, what types of coverage the Health Plans should provide. The Health Plans may also remove information that identifies you from health information that is disclosed to CEBCO so that the health information that is used by CEBCO does not identify the specific Health Plan participants.
- **Other Covered Entities.** The Health Plans may use or disclose your health information to assist health care providers in connection with their treatment and payment activities, or to assist other covered entities with certain health care operations. For example, the Health Plans may disclose or share your information with other health care programs or insurance carriers (such as Medicare) in order to coordinate benefits if you or your family members have other health insurance or coverage.
- **To The Plan Sponsor.** The Health Plans are sponsored by CEBCO. The Health Plans may disclose your PHI to designated personnel at CEBCO so that they can carry out related administrative functions, including the uses and disclosures described in this Notice. Such disclosures will be made only to the individuals authorized to receive such information under the Health Plans. These individuals will protect the privacy of your health information and ensure that it is used only as described in this Notice or as permitted by law. Unless authorized by you in writing, your health information:

- (1) May not be disclosed by the Health Plans to any other employee or department of CEBCO, and
- (2) Will not be used by CEBCO for any employment-related actions or decisions, or in connection with any other employee benefit plans sponsored by CEBCO.

In so doing, the Health Plans will disclose your PHI to their business associates so that the business associates can perform their claims payment functions. However, the Health Plans will require their business associates, through written agreements, to appropriately safeguard your health information.

- **For Health-Related Benefits and Services.** The Health Plans may use and disclose your PHI to tell you about health-related benefits or services that may be of interest to you.

- **To Individuals Involved in Your Care or Payment of Your Care.** The Health Plans may disclose PHI to a close friend or family member involved in or who helps pay for your health care. The Health Plans may also advise a family member or close friend about your condition, your location (for example, that you are in the hospital), or death, unless other laws would prohibit such disclosures. In these situations, when you are present and not incapacitated, the Health Plans will either (1) obtain your agreement; (2) provide you with an opportunity to disagree to the use or disclosure; or (3) using reasonable judgment, infer from the circumstances that you do not object to the disclosure. If you are not present, or you cannot agree or disagree to the use or disclosure due to incapacity or emergency circumstances, the Health Plans may use professional judgment to determine that the disclosure is in your best interests and disclose PHI relevant to such person’s involvement in your care, payment related to your health care, or notification purposes. If you are deceased, the Health Plans may disclose PHI to such individuals involved in your care or payment for your health care prior to your death the PHI that is relevant the individual’s involvement, unless you have previously instructed the Plan otherwise.

- **As Required by Law.** The Health Plans will disclose your PHI when required to do so by federal, state, or local law, including those laws that require the reporting of certain types of wounds, illnesses or physical injuries.

Special Use and Disclosure Situations

The Health Plans may also use or disclose your PHI without your authorization under the following circumstances:

- **Lawsuits and Disputes.** If you become involved in a lawsuit or other legal action, the Health Plans may disclose your PHI in response to a court or administrative order, subpoena, warrant, discovery request, or other forms of lawful due process.

- **Law Enforcement.** The Health Plans may release your PHI if asked to do so by a law enforcement official, for example, to report child abuse, to identify or locate a suspect, material witness, missing person or to report a crime, the crime’s location or victims, or the identity, description, or location of the person who committed the crime.

- **Workers’ Compensation.** The Health Plans may disclose your PHI to the extent authorized by and to the extent necessary to comply with workers’ compensation laws and other similar programs.

- **Military and Veterans.** If you are or become a member of the U.S. armed forces, the Health Plans may release medical information about you as deemed necessary by military command authorities.

- **To Avert Serious Threat to Health or Safety.** The Health Plans may use and disclose your PHI when necessary to prevent a serious threat to your health and safety, or the health and safety of the public or another person.

- **Public Health Risks.** The Health Plans may disclose health information about you for public health activities. These activities include preventing or controlling disease, injury or disability; reporting births and deaths; reporting child abuse or neglect; reporting reactions to medications or problems with medical products, or notifying people of recalls of products they have been using.

- **Health Oversight Activities.** The Health Plans may disclose your PHI to a health oversight agency for audits, investigations, inspections, and licensure necessary for the government to monitor the health care system and government programs.

- **Research.** Under certain limited circumstances, the Health Plans may use and disclose your PHI for medical research purposes.

- **National Security, Intelligence Activities, and Protective Services.** The Health Plans may release your PHI to authorized federal officials: (1) for intelligence, counterintelligence, and other national security activities authorized by law or (2) to enable them to provide protection to the members of the U.S. government or foreign heads of state, or to conduct special investigations.

- **Organ and Tissue Donation.** If you are an organ donor, the Health Plans may release medical information to organizations that handle organ procurement or organ, eye, or tissue transplantation, or to an organ donation bank to facilitate organ or tissue donation and transplantation.

- **Disclosures to You.** The Health Plans are required to disclose to you or your personal representative most of your health information. A “personal representative” is an individual designated by you or by applicable law to act on your behalf in health care matters. The Health Plans may elect not to treat the individual as your personal representative if they have a reasonable belief that: you have been, or may be, subject to abuse or neglect by the individual; treating the individual as a personal representative could endanger you; or the Health Plans determine, in the exercise of their professional judgment, that it is not in your best interests to treat the individual as a personal representative.

Your Rights Regarding Your Health Information

You have the following rights regarding the health information that the Health Plans maintain about you:

• **Right to Inspect and Copy Your Personal Health Information.** You have the right to inspect and copy your PHI that is maintained in a “designated record set” as long as the Health Plans maintain your PHI. A “designated record set” includes medical information about eligibility, enrollment, claim and appeal records, and medical and billing records maintained by the Health Plans, but does not include psychotherapy notes, information intended for use in a civil, criminal or administrative proceeding, or information that is otherwise prohibited by law.

To inspect and copy health information maintained by the Health Plans, submit your request in writing to CEBCO, 209 E. State Street, Columbus, OH 43215. If your medical information is maintained in an electronic health record, you also have the right to request that an electronic copy of your record be sent to you or to another individual or entity.

The Health Plans may charge a fee for the cost of copying and/or mailing your request, or the labor costs associated with transmitting an electronic health record. The Health Plans must act upon your request for access no later than 30 days after receipt (60 days if the information is maintained off-site). A single, 30-day extension is allowed if the Health Plans are unable to comply by the initial deadline. In limited circumstances, the Health Plans may deny your request to inspect and copy your PHI. Generally, if you are denied access to your health information, you will be informed as to the reasons for the denial, and of your right to request a review of the denial.

• **Right to Amend Your Personal Health Information.** If you feel that the health information the Health Plans have about you is incorrect or incomplete, you may ask the Health Plans to amend it. You have the right to request an amendment of your PHI that the Health Plans maintain in a designated record set, for as long as your PHI is maintained in a Designated Record Set.

To request an amendment, send a detailed request in writing to CEBCO, 209 E. State Street, Columbus, OH 43215. You must provide the reason(s) to support your request. The Health Plans may deny your request if you ask the Health Plans to amend health information that was:

- (1) Accurate and complete;
- (2) Not created by the Health Plans;
- (3) Not part of the health information maintained by or for the Health Plans; or
- (4) Not information that you would be permitted to inspect and copy. The Health Plans have 60 days after the request is received to act on the request. A single, 30-day extension is allowed if the Health Plans cannot comply by the initial deadline. If the request is denied, in whole or in part, the Health Plans will provide you with a written denial that explains the basis for the denial. You may then submit a written statement disagreeing with the denial and, if permitted under HIPAA, have that statement included with any future disclosures of your PHI.

• **Right to An Accounting of Disclosures.** You have the right to request an “accounting of disclosures” of your PHI. This is a list of disclosures of your PHI that the Health Plans have made to others for the six (6) year period prior to the request, except for those disclosures necessary to carry out treatment, payment, or health care operations, disclosures previously made to you, disclosures where authorization was provided, disclosures to family members or friends involved in your care (where disclosure is permitted without authorization), disclosures for national security or intelligence purposes or to correctional institutions or law enforcement officials in certain circumstances, disclosures as part of a limited data set (health information that excludes certain identifying information), disclosures that occurred prior to April 14, 2003 (the HIPAA compliance date), or in certain other situations described under HIPAA.

To request an accounting of disclosures, you may submit your request in writing to CEBCO, 209 E. State Street, Columbus, OH 43215. Your request must state a time period, which may not be longer than six (6) years prior to the date the accounting was requested. If the accounting cannot be provided within 60 days, an additional 30 days is allowed if the Health Plans provide you with a written statement of the reasons for the delay and the date by when the accounting will be provided. If you request more than one accounting within a 12-month period, the Health Plans will charge a reasonable, cost-based fee for each subsequent accounting.

• **Right to Request Restrictions.** You have the right to request a restriction on the health information that the Health Plans use or disclose about you for treatment, payment, or health care operations. The Health Plans are not required to agree to a requested restriction, except in those situations where the requested restriction relates to the disclosure to the Health Plans for purposes of carrying out payment or health care operations (and not for treatment), and the PHI pertains solely to a health care item or service that was paid for out of pocket in full. You also have the right to request that the Health Plans limit the individuals (for example, family members) to whom the Health Plans may disclose your health information. For example, you may request that the Health Plans not use or disclose information about a surgical procedure that you have had. While the Health Plans will consider your request, they are not required to agree to it except as noted above. If the Health Plans agree to the restriction, they will comply with your request until such time as the Health Plans provide written notice to you of their intent to no longer agree to such restriction, or unless such disclosure is required by law.

To request a restriction or limitation, make your request in writing to CEBCO, 209 E. State Street, Columbus, OH 43215. In your request, you must state:

- (1) What information you want to limit;
- (2) Whether you want to limit the health plans' use, disclosure, or both; and
- (3) To whom you want the limit(s) to apply. Note: the health plans are not required to agree to your request except as noted above.

• **Right to Request Confidential Communications.** You have the right to request that the Health Plans communicate with you about health matters using alternative means or at alternative locations. For example, you may ask that the Health Plans send your explanation of benefits ("EOB") forms about your benefit claims to a specified address. To request confidential communications, make your request in writing to CEBCO, 209 E. State Street, Columbus, OH 43215. The Health Plans will make every attempt to accommodate all reasonable requests. Your request must specify how or where you want to be contacted.

• **State Privacy Rights.** You may have additional privacy rights under state laws, including rights in connection with mental health and psychotherapy reports, pregnancy, HIV/AIDS-related illnesses, and the health treatment of minors.

• **Right to a Paper Copy of this Notice.** You have the right to a paper copy of this Notice upon request. This right applies even if you have previously agreed to accept this Notice electronically. You may write to CEBCO, 209 E. State Street, Columbus, OH 43215 to request a written copy of this Notice at any time.

The Health Plans must abide by the terms of the Privacy Notice currently in effect. However, the Health Plans reserve the right to change this Notice at any time, and from time to time, and to make the revised or changed Notice effective for health information that the Health Plans already have about you, as well as any information that the Health Plans may receive in the future. The revised Notice will either be provided to you in the same or similar manner as this Notice, or electronically if you have consented to receive the Notice electronically.

Complaints

If you believe that your health information privacy rights as described under this Notice have been violated, you may file a written complaint with the Health Plans by contacting the person listed at the address under "Contact Information". You may also file a written complaint directly with the Secretary of the U.S. Department of Health and Human Services, at either the Office for Civil Rights, U.S. Department of Health and Human Services, 200 Independence Avenue, S.W., Room 509F, Hubert H. Humphrey Building, Washington, D.C. 20201, or the appropriate Regional Office of the Office for Civil Rights. The complaint should generally be filed within 180 days of when the act or omission complained of occurred.

Note: You will not be penalized or retaliated against for filing a complaint.

Other Uses and Disclosures of Health Information

Other uses and disclosures of health information not covered by this Notice or by the laws that apply to the Health Plans will be made only with your written authorization. Your written authorization is also required for:

- Most uses or disclosures of psychotherapy notes (where appropriate);
- Uses or disclosures of your PHI for marketing purposes. Marketing does not include communications, involving no financial remuneration, for certain treatment or health care operations purposes, such as communications about entities that participate in a health plan network, health plan enhancements or replacements, case management or care coordination, or contacting individuals about treatment alternatives; and
- Disclosures of PHI that are considered a sale of PHI under the Privacy Rule.

If you authorize the Health Plans to use or disclose your PHI, you may revoke the authorization, in writing, at any time. If you revoke your authorization, the Health Plans will no longer use or disclose your PHI for the reasons covered by your written authorization; however, the Health Plans will not reverse any uses or disclosures already made in reliance on your prior authorization.

Important Notice from *CEBCO* About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with *CEBCO* and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. *CEBCO* has determined that the prescription drug coverage offered by the *CEBCO* is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

CMS Form 10182-CC

Updated April 1, 2011

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-0990. The time required to complete this information collection is estimated to average 8 hours per response initially, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current **CEBCO** coverage **will not** be affected. Your current coverage pays for other health expenses in addition to prescription drug. If you enroll in a Medicare prescription drug plan, you and your eligible dependents **will** still be eligible to receive all of your current health and prescription drug benefits. **For further information on how your coverage will be affected, please contact your benefit office.**

If you do decide to join a Medicare drug plan and drop your current **CEBCO** coverage, be aware that you and your dependents **will not** be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with **CEBCO** and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through **CEBCO** changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

2022-23 NOTICE REGARDING WELLNESS PROGRAM

The wellness program provided by CEBCO (County Employee Benefit Consortium of Ohio) in partnership with our contracted wellness vendor is a voluntary program available to all employees and spouses enrolled in the CEBCO medical plan. The program is administered according to federal rules permitting plan-sponsored wellness programs to seek to maintain/improve personal health and prevent disease. The program is compliant with the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act (HIPAA), as applicable, among others. If you and/or your spouse chooses to participate in the wellness program you/your spouse will be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You will also be asked to complete a comprehensive biometric screening, which will include a blood test for glucose, kidney function, liver function, cholesterol, and a complete blood count, among others. You are not required to complete the HRA or to participate in the biometric screening or any other activity offered through the wellness program.

Should you/your spouse choose to participate, the information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health status and any potential risks. It may also be used to offer you additional services available through the wellness program, such as health coaching. You are highly encouraged to share your screening results or any health concerns with your primary care physician.

PROTECTIONS FROM DISCLOSURE OF MEDICAL INFORMATION

CEBCO's contracted wellness vendor is required by law to maintain the privacy and security of your personal health information. Although CEBCO and your employer may use aggregate information collected to design a program based on identified health risks in the population, your personal information is never disclosed either publicly, to your plan sponsor (CEBCO) or your employer. Any medical information provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except when required by law. You will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personal health information are nurses and/or health coaches staffed with CEBCO's wellness vendor in order to provide you with services under the wellness program. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, you will be notified immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2022. Contact your State for more information on eligibility –

SPECIAL ENROLLMENT NOTICE

This notice is being provided to make certain that you understand your right to apply for group health insurance coverage. You should read this notice even if you plan to waive health insurance coverage at this time.

Loss of Other Coverage

If you are declining coverage for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

Example: You waived coverage under this plan because you were covered under a plan offered by your spouse's employer. Your spouse terminates employment. If you notify your employer within 30 days of the date coverage ends, you and your eligible dependents may apply for coverage under this health plan.

Marriage, Birth, or Adoption

If you have a new dependent as a result of a marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, or placement for adoption.

Example: When you were hired, you were single and chose not to elect health insurance benefits. One year later, you marry. You and your eligible dependents are entitled to enroll in this group health plan. However, you must apply within 30 days from the date of your marriage.

Medicaid or CHIP

If you or your dependents lose eligibility for coverage under Medicaid or the Children's Health Insurance Program (CHIP) or become eligible for a premium assistance subsidy under Medicaid or CHIP, you may be able to enroll yourself and your dependents. You must request enrollment within 60 days of the loss of Medicaid or CHIP coverage or the determination of eligibility for a premium assistance subsidy.

Example: When you were hired, your children received health coverage under CHIP and you did not enroll them in this health plan. Because of changes in your income, your children are no longer eligible for CHIP coverage. You may enroll them in this group health plan if you apply within 60 days of the date of their loss of CHIP coverage.

Note: If you or your dependents enroll during a **special enrollment period**, as described above, you will not be considered a late enrollee. Therefore, your group health plan may not impose a preexisting condition exclusion period of more than 12 months. Any preexisting condition exclusion period will be reduced by the amount of your prior creditable health coverage. **Effective for plan years beginning on or after Jan. 1, 2014, health plans may not impose pre-existing condition exclusions on any enrollees.**

Newborns' and Mothers' Protection Act Disclosure

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Genetic Information Nondiscrimination Act (GINA)

GINA, along with the Health Insurance Portability and Accountability Act (HIPAA), prohibits discrimination in group health plan coverage based on genetic information. GINA also prohibits a health plan from requesting or requiring you or your dependents to take a genetic test, requesting or requiring genetic information (including family medical history) or imposing a pre-existing condition exclusion provision based solely on genetic information.

New Health Insurance Marketplace Coverage Options and Your Health Coverage

Beginning in 2014, there is a new way to buy health insurance: the **Health Insurance Marketplace**. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away.

You can get coverage through the Marketplace for 2023 if you qualify for a special enrollment period or are applying for Medicaid or the Children's Health Insurance Program (CHIP). The Marketplace's next open enrollment period begins on Nov. 1, 2022, for coverage starting as early as Jan. 1, 2023.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards.

If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.12 percent of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit. (An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.)

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact Christine Carrigan 419-424-7049.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost.
