PRESS RELEASE

DATE: November 22, 2021

TO: Hancock County Residents

RE: Free “Test-Giving” Rapid COVID-19 Test Kit Drive-Thru Event

Hancock Public Health will be holding a drive-thru event to pass out free BinaxNOW home antigen tests for COVID-19. The event will be held from 11:00 a.m. to 1:00 p.m. or while supplies last on Tuesday, November 23, 2021. The location of the event is Hancock Public Health, 2225 Keith Parkway, Findlay. People can utilize the home antigen tests prior to gathering for Thanksgiving to assure the health and safety of all in attendance. If a person tests positive, they would then know to stay home and isolate, preventing the spread to loved ones at their family gathering.

In addition to the drive-thru event, free BinaxNOW home antigen tests for COVID-19 are available during normal business hours at Hancock Public Health and at the Findlay Hancock County Public Library.

We hope everyone has a safe and happy holiday season!
