

Naloxone (Narcan) is still available in Hancock County during the COVID-19 Pandemic

Naloxone (also known as Narcan) is a medication that can reverse an overdose caused by an opioid drug (heroin or prescription pain medications). When administered during an overdose, Naloxone blocks the effects of opioids on the brain and quickly restores breathing temporarily until medical help arrives.

How do I get a Narcan kit during the COVID-19 emergency?

- 1) Watch the “Naloxone Project DAWN training video” on YouTube: <https://youtu.be/dBF0ovVWPYc>
- 2) Call Gary Bright or Jamie Decker at Hancock Public Health 419-424-7420 (or email gbright@hancockph.com / jdecker@hancockph.com) to answer a few simple questions and arrange safe pick up or delivery of your kit.

OR

- If you would prefer to receive your kit by mail, visit <https://www.naloxoneforall.org/hro> to receive a free kit from Harm Reduction Ohio.

The kit from Hancock Public Health includes:

- 2 - 4mg doses of Narcan Nasal Spray
- 1 pair of nitrile gloves
- 1 face shield
- 1 educational DVD
- 1 educational booklet

Visit [The Ohio Department of Health's Project DAWN Website](#) for information about sites outside of Hancock County.

Project DAWN kits are free. Donations are accepted but not required.
